TEAM LEADERSHIP EXPECTATIONS

01 Qualifications and servant leadership commitment

“The same goes for those who want to be servants in the church: serious, not deceitful, not too free with the bottle, not in it for what they can get out of it. They must be reverent before the mystery of the faith, not using their position to try to run things. Let them prove themselves first. If they show they can do it, take them on.

No exceptions are to be made for women— same qualifications: serious, dependable, not sharp-tongued, not overfond of wine. Servants in the church are to be committed to their spouses, attentive to their own children, and diligent in looking after their own affairs. Those who do this servant work will come to be highly respected, a real credit to this Jesus-faith.”

1 Timothy 3:8-13 The Message

The Abundant DreamTeam:

- Is sincere, lives a life of wisdom and is well thought of.
- Follows the principles of the Word of God, publicly and privately.
- Has a genuine desire to serve and minister to other people.
- Leads, motivates and teaches other people.
- Creates positive group dynamics and resolves conflict within the group in a godly way.

STEP 04

02 Abundant Dream Team honor code commitment

As an essential part of the Abundant Church family, you have a responsibility to develop and exhibit mature Christian behavior. This should be the basic premise of your desire to participate in a servant leader position here at Abundant.

While serving the Body of Christ as a servant leader at Abundant, your commitment is also to present a good appearance at all times. In both attire and behavior, you should strive to demonstrate biblical standards in all situations.

As Christians, the way we present ourselves to others is of vital importance to the way others perceive Christ. Our conduct should exemplify the best qualities of a mature believer and servant leader.

Exemplifying the highest moral commitment, servant leaders at Abundant are to pursue a life of devotion and discipleship. Spending time in Bible reading, prayer and worship.

By providing an example in speech and action, we encourage others to grow in Christ and become servant leaders themselves. This is a way of life measured by the heart and commitment of each servant leader on the Abundant Dream Team. We should regard it as an essential part of our development, not as an imposition or restriction.
