The Bible shows us that we have a covenant of grace and peace with God. God's covenant agreement with His children defines the basis of His character and shows the strength of His divine promises from Adam all the way through to the full restoration of man found in the redemptive power of Jesus Christ. God's covenant with us cannot be broken. Because of this reality, we can wake up everyday of our lives knowing that God loves us, He is with us, and He is for us!

God's grace is unearned, undeserved and unmerited favor with God and from God. It is also His endowment of power on our lives.

God's peace is His tranquility for our hearts and minds arising from reconciliation with Him. It also opens the reality that from God, to us, in everything we do, is health, welfare, prosperity and every kind of good.

As we enter 2024, the posture of our hearts should be filled with hope and excitement knowing that God's grace is empowering us to live our best lives.

John 10:10 says that Jesus came to give us life and to give us life more abundantly.

This year is not going to be just another year. This is not going to be just another 365 days of passing time. 2024 is going to be 365 days of living the life God wants us to enjoy, The Abundant Life! We are fully expectant that this is going to be an incredible year for you, for your family, for our church and for our city. Let hope arise in your heart as you dream and plan for the future. Let your faith be energized knowing that all of God's promises of joy, peace, healing and wisdom are YES and AMEN for you.

The beauty of the God we serve is that He cares for and provides for every area of our lives, and that is exactly what we are believing for as a church family.
