THIS IS OUR COVENANT

abundant × Kids

A **Covenant** is a promise made between 2 people. God made a covenant with you and with me!

God's Covenant with Me

What did God promise us? The Bible shows us that we have a covenant of **grace** and **peace** with God. God's **grace** is a gift of His favor or goodwill over our life that we did nothing to earn or deserve. We walk in His power. He also promises us that we now have **peace** with Him because of what Jesus did for us on the cross. His peace brings us health, welfare, prosperity, and every kind of good. Nothing we do can break God's covenant with us. God always keeps His promises. Because of this, we can wake up every day knowing that God loves us, He is with us, and He is on our side.

As we enter 2024, we can be filled with hope and excitement knowing that God's grace gives us the power to live our best life.

John 10:10 says, "Jesus came to give us life and to give us life more abundantly."

This year is not going to be just another year for you!

- You can expect **MORE** for 2024.
